

The Compliance Commission of The Bahamas

NOTICE: Activation of the Commission's Electronic Examination portal for Approved Accountants (Agents)

The Compliance Commission (the Commission) is pleased to announce that approved agents will receive an email approving them as agents for the examination period 2021 – 2022. Once agents receive the email, they must log on and add additional agents who attended the joint training and who were approved by the Commission.

As you are aware, the Commission has discontinued the use of manual exam forms for examinations. All agents must use the online examination portal which commences September, 2021.

The Commission will commence sending exam Notices to Registrants in September/October, 2021 for them to select an approved agent. Registrants must then select an approved agent to conduct a risk-based examination using their online registration form once the select agent field is active. Once Registrants select an agent the agent will receive an email notification. Agents will then contact the Registrant to make examination arrangements.

The recording for the training for approved agents use of the online portal and submit examinations which was held on Thursday September 9th, 2021 at 9:00 a.m. are included in this email to agents.

Please contact the Commission at the following emails regarding any issues with the online examination portal: dorellemackey@bahamas.gov.bs or davanyakemp@bahamas.gov.bs.
