**Re: Security Council Renews Democratic Republic of Congo Sanctions Regimes,
Adopting Resolution 2641 (2022)**

Dear Registrant,

The Compliance Commission wishes to inform that the Security Council renewed the sanctions regime imposed on the Democratic Republic of Congo and extended until 1 August 2023 the mandate of the Group of Experts overseeing its implementation.

Adopting resolution 2641 (2022) (to be issued as document S/RES/2641(2022)) and acting under Chapter VII of the Charter of the United Nations, the Council decided to renew until 1 July 2023 the measures set out in paragraphs 1 to 6 of resolution 2293 (2016) related to an arms embargo, travel ban and asset freeze. These measures require all States to refrain from, among other things, providing weapons to non-governmental entities operating in the Democratic Republic of the Congo.
