The Functions of the Compliance Commission

- To maintain a general review of financial institutions (FI) in relation to the conduct of financial transactions.
- To ensure compliance with the provisions of the FTRA and AML related legislation.
- To conduct on-site examinations of the business of a financial institution when deemed necessary by the CC.

Financial Institutions Supervised by the Compliance Commission

The CC is the Supervisory Authority for ALL financial institutions listed in section 32 (2) of the FTRA. This includes Dealers in Precious Metals, Precious Stones & Pawn Brokers that provide

prescribed financial services pursuant to Section 4 (c) of the FTRA.

Designated Non-Financial Business and Professions (DNFBP's) - Providing Prescribed financial services under section 4(c) of the FTRA

Dealers in Precious Metals, Precious Stones & Pawn Brokers is a financial institution for AML purposes in any situation when it engages in, or carries out transactions for a client concerning:

- (i) buying for the purpose of trade, sale, exchange, or otherwise dealing in any previously owned precious metals or precious stones, whether altering the same after acquisition or not; or
- (ii) lending of cash on the security of previously owned precious metals or precious stones of which the person takes possession, but not ownership, in expectation of profit, gain or reward.

Compliance Commission's Risk Based Supervisory Framework for Designated Non-Financial Business and Professions

The Commission does not licence DNFBPs, the Commission supervises DNFBPs. It is responsible for ensuring financial institutions under its supervision comply with AML/CFT/CPF laws, regulations and guidelines. It supervises its registrants which includes Dealers in Precious Metals, Precious Stones & Pawn Brokers through a combination of the following programmes:

- Registration,
- Risk base on-site and off-site examinations,

- An effective risk-based supervisory & enforcement framework,
- Education, training and awareness,
- Directives, Codes, Guidance's, and Notices when necessary.

The CC organizes AML/CFT/CPF training programmes for Dealers in Precious Metals, Precious Stones & Pawn Brokers, including webinars, in person training and educational resources are available on the CC's website.

The CC also convenes meetings with the representatives of Dealers in the industry. The purpose of these meetings is to collaborate and to discuss any AML/CFT/CPF concerns of the profession and the CC. The CC also uses the opportunity to update the profession on any current trends, CC strategic plans, as well as legislative changes, including those being contemplated.

When are Dealers in Precious Metals, Precious Stones & Pawn Brokers Subject to AML/CFT /CPF Laws?

Dealers in Precious Metals, Precious Stones & Pawn Brokers are subject to the AML/CFT/CPF laws on two levels.

2. Forms must be completed online and submitted via the CC's electronic portal.

Obligation to comply with AML/CFT/CPF Laws and Guidelines

Dealers in Precious Metals, Precious Stones & Pawn Brokers that provide prescribed financial services are required to comply with provisions of the Bahamian AML/CFT/CPF legislations.

Obligation to Submit to AML/CFT/CPF Examination

Under section 32(1)(b) of the FTRA, the CC is mandated to conduct risk-based AML/CFT/CPF examinations of the prescribed financial services performed by Dealers in Precious Metals, Precious Stones & Pawn Brokers, when deemed necessary. The CC carries out its supervisory oversight by means of a risk assessment exercise to determine the frequency and intensity of the CC examination of the firm. Firms are required to complete a Risk Assessment Questionnaire issued by the CC

for an initial assessment of the inherent risks and controls for managing ML/TF/PF risk.

The CC administers four (4) types of examinations, as outlined below:

- routine (on-site only);
- follow-up (on-site or off-site examination);
- random (on-site only); and
- special (on-site only).

The examination assesses the firm's level of compliance with the requirements of AML/CFT/CPF laws, obligations and guidelines.

Routine On-site Examinations (OSE) – Provides an in-depth assessment of the firm's risk profile, policies and procedures, and test the adequacy, effectiveness and control measures implemented to mitigate risks by a firm to comply with its AML obligations; i.e. the FTRA, FTRR, the FI(TR)R, POCA, other AML legislations and the CC Codes of Practice for Dealers in Precious Metals, Precious Stones & Pawn Brokers and the FIU Guidelines.

Follow-up Examinations - are conducted for the purpose of addressing the deficiencies of the AML/CFT/CPF systems of Dealers in Precious Metals, Precious Stones & Pawn Brokers that have been identified through the assessment and the routine on-site examination. Such examinations are specific in scope and will focus on the identified weaknesses. Follow-up

examinations are conducted by Examiners of the CC's Inspections Unit.

Random Examinations – the CC's examiners randomly select Dealers in Precious Metals, Precious Stones & Pawn Brokers to be the subject of an OSE. The Random OSE tests the routine examination process.

Special Examinations - where a financial institution supervised by the CC has violated provisions of the AML/CFT/CPF laws and/or guidelines, or where information comes to the attention of the CC that a financial institution is providing financial services despite having advised it to the contrary, a special on-site examination is conducted by the CC.

Routine OSE Procedures

Before a routine OSE can be conducted, Dealers in Precious Metals, Precious Stones & Pawn Brokers must have a written risk based AML/CFT/CPF Policies and Procedures document. If there is no written risk based policy and procedure document available the Dealers in Precious Metals, Precious Stones & Pawn Brokers must submit one within 45 days and be aware of the CC administrative penalties, available on the CC website. The CC's frequency and intensity of the on-site examination of the Dealers in Precious Metals, Precious Stones & Pawn Brokers is on a risk sensitive basis, taking into account;

- the risk rating assigned to the firm by the CC;
- the latest risk based on-site examination evaluation;

- the Commission’s understanding of the ML/TF/PF risks profile of the Dealers in Precious Metals, Precious Stones & Pawn Brokers, its characteristics and in particular its diversity;
- the identified ML/TF/PF risks, the policies, procedures and internal controls associated with the Dealers in Precious Metals, Precious Stones & Pawn Brokers, as identified by the CC’s assessment of the Dealers in Precious Metals, Precious Stones & Pawn Brokers’ risk profile; and
- The ML/TF/PF risks present in The Bahamas.

Dealers in Precious Metals and Precious Stones/Pawn Shops Reporting Obligations under the FTRA

Dealers in Precious Metals and Precious Stones/ Pawn Shops are subject to Customer Due Diligence (CDD) obligations, as specified in Section VII, whenever the company engages in transactions for a client as in a single transaction, equal to or above or linked transactions in the amount of B\$15,000 (B\$15,000 threshold transaction amount for CDD).

In their role as gatekeepers, DNFBPs must comply with FTRA 2018 requirements and other relevant AML/CFT/CPF legislation and applicable guidelines. This includes implementing a compliance program that encompasses the obligations listed below:³

- Conduct and document a risk assessment of the company/firm’s inherent risks to determine the level of

³ Applicable to companies conducting transactions above the designated amount. All registrants must appoint a CO & MLRO

exposure to the risks of ML/TF/PF, other identified risks and implement controls to mitigate risks;

- Establish written risk-based policies and procedures that comply with the provisions of AML laws and guidelines this is to be kept up to date, approved by senior management and/or Board of Directors, available to the competent authority and includes enhanced measures to mitigate high risk areas;
- Identify and verify customers when opening an account, establishing a business relationship or carrying out the transaction and their source of funds and source of wealth;
- Appoint a senior management CO and a MLRO;
- Keep transaction, identification and verification records;
- Conduct on-going monitoring of customer transactions;
- Report suspicious transactions to the FIU, the agency charged with, amongst other things, receiving and analyzing suspicious transactions reports from financial institutions;
- Ensure the management and appropriate staff receive ongoing AML/CFT/CPF training;
- Conduct internal compliance effectiveness reviews of its operations at least once every two (2) years;
- Submit to AML examination by the relevant regulatory authority and its appointed agents;
- High risk client relationships (for example, high risk PEPs) have to be approved by senior management in compliance with guidelines in their policies and procedures manual;
- The firm must have a risk management system for customers and beneficial owners and screen clients to determine and monitor if they are listed on the United

Nations Sanctions list; and have procedures to address the risk of a potential breach or non-implementation of targeted financial sanctions.

- The firm should have a risk management system for customers and beneficial owners and screen clients to determine if they are PEPS and higher risk relationships, and/or originate from a higher risk country as defined by FATF and apply the appropriate measures defined by the FATF.

Steps for the Routine Examination Procedure:

1. The licensed public accountant, engaged in conducting a routine on-site examination, must first undergo the relevant training by the CC prior to obtaining a Letter of Appointment, which gives him or her the authorization to commence an examination.
2. A Dealers in Precious Metals, Precious Stones & Pawn Brokers may select the licensed public accountant of its choice using the electronic portal; however, the examining accountant must be independent of the firm and the firm should satisfy itself that the examiner has a valid Letter of Appointment.
3. In the case of a routine on-site examination, once completed, the examining accountant should have an exit meeting with the firm to discuss the examination findings.
4. The examining accountant must submit the completed examination form to the CC to be evaluated. Those Dealers in Precious Metals, Precious Stones & Pawn Brokers that receive an adverse rating on the routine on-site examination will be scheduled for a follow-up examination.

5. Routine onsite examinations are conducted by approved accountants acting as agents of the CC or CC examiners.

UN Sanctions/Requirements and Ministerial Directives⁴

The firm should be aware of and apply the policies and procedures regarding financial institutions in sections 43-49 of the Anti-Terrorism Act including reporting to the relevant competent authorities any assets frozen or actions taken in compliance with the prohibition requirements for Targeted Financial Sanctions related to terrorism/terrorist financing and proliferation financing, including attempted transactions.

Penalty for Non-Compliance with Sanctions Reporting

- **Section 49(1) of the ATA 2018** sets out the duty of DNFBPs to report the existence of funds from a designated entity, listed entity or from an entity/legal entity that commits, participates, or facilitates terrorist acts or financing of terrorism to the Financial Intelligence Unit. Section 49(3) ATA 2018 sets out the fine penalty which is not to exceed Two Hundred and Fifty Thousand dollars (\$250,000).
- **Section 69(1) ATA 2018** sets out the duty of DNFBPs to disclose information relating to offences and terrorist acts to the Commission of Police or Director of Public Prosecutions. Section 69(4) ATA 2018 sets out the penalty of a fine of Ten Thousand Dollars (\$10,000) and imprisonment for two (2) years.

⁴ Please refer to FATF Recommendations 6-7 and the ATA sections 43-49.

- **Section 70 ATA 2018** sets out the duty for DNFBPs to disclose information relating to property used for the commission of offences to the Financial Intelligence Unit. The penalty for this offence is imprisonment for up to five (5) years (section 70(4) ATA 2018).

The United Nations (UN) Security Council Resolution 1267⁵ (UNSCR) and its subsequent resolutions has produced a list of designated persons/countries with known or suspected terrorist connections. The Resolutions require countries to freeze, without delay, the funds or other assets and to ensure that no funds or other assets are made available, directly or indirectly, to or for the benefit of any person or entity designated by or under the authority of the UNSCR. This list is updated periodically and is forwarded to the UN's contact in each jurisdiction. The National Identified Risk Framework Coordinator (NIRFC) shall be responsible for maintaining a list of designated entities as provided by the UN; ensuring that the list remains current; circulating the list without delay upon receipt to financial institutions; requesting information on whether any designated entity on the list has funds in The Bahamas; and maintaining a consolidated list of all orders issued by the court and circulating the same to all financial institutions. Further, the FIU shall be responsible for furnishing the Attorney General with the information required to facilitate an application under section 45 of the ATA where anyone, as designated on the list,
