**Re: Security Council Renews Sanctions Regime on Haiti for One Year, Unanimously
Adopting Resolution 2752 - October 18th 2024**

Dear Registrant,

The Security Council on the 18th October 2024 authorized the renewal for one year the sanctions regime on Haiti, continuing a travel ban and asset freeze, and expanding the scope of an arms embargo as well as the designation criteria for those measures initially established in October 2022 and later renewed in October 2023 to quell rampant gang violence and restore security in the crisis-torn nation. The Council, acting under Chapter VII of the Charter of the United Nations, unanimously adopted resolution 2752 (2024) and in so doing decided that, with respect to those designated for sanctions, actions that threaten the peace, security or stability of Haiti as set forth in Council resolution 2653 (2022) include “engaging in activities that destabilize Haiti through the illicit exploitation or trade of natural resources”. By the text, the Council also decided that the scope of the arms embargo, which had been amended in Council resolution 2699 (2023), shall include “arms and related material of all types”, as well as “technical assistance, training, financial or other assistance, related to military activities”, as initially stipulated in Council resolution 2653 (2022).
